AVISO DE HALLAZGO SIN IMPACTO SIGNIFICATIVO Y AVISO DE INTENCIÓN DE SOLICITAR LIBERACIÓN DE FONDOS

Estos avisos deberán satisfacer los requisitos de procedimiento separados pero relacionados para las actividades que llevarán a cabo la ciudad de Pittsburg.

SOLICITUD DE LIBERACIÓN DE FONDOS

El 19 de septiembre de 2022 o alrededor de esa fecha, la ciudad de Pittsburg presentará una solicitud al Departamento de Agricultura de Texas para la liberación de los fondos del Programa de Subsidios en Brique para el Desarrollo Comunitario en virtud de la Sección 104 del Título I de la Ley de Vivienda y Desarrollo Comunitario de 1974, según enmendada, para emprender un proyecto conocido como reconstrucción de aceras y mejoras de accesibilidad en Rusk Street y Compress Street, bajo el Contrato # CDM21-0135 con el propósito de reemplazar aceras deterioradas y que no cumplen con ADA que resultan en un tráfico peatonal peligroso. El contratista reconstruirá e instalará aproximadamente 890 pies lineales de acera de concreto, 414 pies lineales de bordillo y curva, 17 rampas ADA, instalará 14 farolas que incluyen conductos, cableado y panel de servicio eléctrico, reconstruirá los accesos de concreto, las separaciones de pavimento relacionadas y todos los accesorios asociados. El proyecto también incluirá todos los servicios de ingeniería y administración asociados, por un costo estimado de \$350,000.00 en fondos de HUD y \$52,500.00 en fondos que no son de HUD. El proyecto se llevará a cabo en Rusk Street desde la esquina de Fulton hasta el Ayuntamiento y en Compress desde la esquina de Church Street hasta el callejón.

HALLAZGO SIN IMPACTO SIGNIFICATIVO

La ciudad de Pittsburg ha determinado que el proyecto no tendrá un impacto significativo en el entorno humano. Por lo tanto, no se requiere una Declaración de Impacto Ambiental bajo la Ley Nacional de Política Ambiental de 1969 (NEPA).

Un Registro de revisión ambiental (ERR) que documenta las determinaciones ambientales para este proyecto está archivado en 200 Rusk Street, Pittsburg, Texas 75686 y se puede examinar o copiar de 8:30 a.m. a 4:30 p.m.

COMENTARIOS PÚBLICOS

Cualquier individuo, grupo o agencia puede enviar comentarios por escrito sobre la ERR al alcalde a dabernathy@pittsburgtx.com. Todos los comentarios recibidos antes del 16 de septiembre de 2022 serán considerados por la ciudad de Pittsburg antes de autorizar la presentación de una solicitud de liberación de fondos.

Los comentarios deben especificar a qué Aviso se dirigen.

CERTIFICACIÓN AMBIENTAL

La Ciudad de Pittsburg certifica al Estado de Texas que David Abernathy, en su calidad de Alcalde, acepta aceptar la jurisdicción de los Tribunales Federales si se inicia una acción para hacer cumplir las responsabilidades en relación con el proceso de revisión ambiental y que estas responsabilidades han sido satisfechas. La aprobación de la certificación por parte del Estado cumple con sus responsabilidades conforme a la NEPA y las leyes y autoridades relacionadas, y permite que la Ciudad de Pittsburg use los fondos del Programa.

OBJECIONES A LA LIBERACIÓN DE FONDOS

El Estado aceptará objeciones a la liberación de fondos y la certificación de la Ciudad de Pittsburg por un período de quince días a partir de la fecha de presentación anticipada o la recepción real de la solicitud. Sin embargo, si se presenta una objeción, solo si se basan en una de las siguientes bases: (a) la certificación no fue ejecutada por el Oficial Certificador de la Ciudad de Pittsburg; (b) la Ciudad de Pittsburg ha omitido un paso o no ha tomado una decisión o hallazgo requerido por las regulaciones de HUD en 24 CFR parte 58; (c) el beneficiario de la subvención u otros participantes en el proceso de desarrollo han cometido un delito, incurrido en costos o realizado actividades no autorizadas por 24 CFR Parte 58 antes de la aprobación de una liberación de fondos por parte del Estado; o (d) otra agencia federal que actúa de conformidad con 40 CFR Parte 1504 ha presentado una conclusión por escrito de que el proyecto no es satisfactorio desde el punto de vista de la calidad ambiental. Las objeciones deben prepararse y presentarse de acuerdo con los procedimientos requeridos (24 CFR Parte 58, Sec. 58.76) y deben dirigirse al Departamento de Agricultura de Texas a CDAG_EnvReview@txag.state.tx.us o P.O. Box 12047, Austin, Texas 78711. Los posibles oponentes deben comunicarse con el Estado para verificar el último día real del período de objeción.

David Abernathy, Alcalde

NOTICE OF FINDING OF NO SIGNIFICANT IMPACT AND NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

These notices shall satisfy two separate but related procedural requirements for activities to be undertaken by the City of Pittsburg.

REQUEST FOR RELEASE OF FUNDS

On or about September 19, 2022 the City of Pittsburg will submit a request to the Texas Department of Agriculture for the release of Community Development Block Grant Program funds under Section 104 of Title I of the Housing and Community Development Act of 1974, as amended, to undertake a project known as sidewalk reconstruction and accessibility improvements on Rusk Street and Compress Street, under Contract # CDM21-0135 for the purpose replacing deteriorated and non-ADA compliant sidewalks resulting in hazardous pedestrian traffic. Contractor shall reconstruct and install approximately 890 linear feet of concrete sidewalk, 414 linear feet curb and gutter, 17 ADA ramps, install 14 streetlights including conduit, wiring and electrical service panel, reconstruct concrete drive, related pavement repairs, and all associated appurtenances. Project will also include all associated administration and engineering services, for an estimated cost of \$350,000.00 in HUD funds and \$52,500.00 in non-HUD funds. The project shall take place on Rusk Street from the corner of Fulton to City Hall and on Compress from the corner of Church Street to the alley.

FINDING OF NO SIGNIFICANT IMPACT

The City of Pittsburg has determined that the project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required.

An Environmental Review Record (ERR) that documents the environmental determinations for this project is on file at 200 Rusk Street, Pittsburg, Texas 75686 and may be examined or copied 8:30 a.m. to 4:30 p.m.

PUBLIC COMMENTS

Any individual, group, or agency may submit written comments on the ERR to the Mayor at dabernathy@pittsburgtx.com. All comments received by September 16, 2022 will be considered by the City of Pittsburg prior to authorizing submission of a request for release of funds.

Comments should specify which Notice they are addressing.

ENVIRONMENTAL CERTIFICATION

The City of Pittsburg certifies to the State of Texas that David Abernathy in his capacity as Mayor consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that those responsibilities have been satisfied. The State's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities and allows the City of Pittsburg to use Program funds.

OBJECTIONS TO RELEASE OF FUNDS

The State will accept objections to its release of fund and the City of Pittsburg's certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of the City of Pittsburg; (b) the City of Pittsburg has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR part 58; (c) the grant recipient or other participants in the development process have committed funds, incurred costs or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by the State; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58, Sec. 58.76) and shall be addressed to Texas Department of Agriculture at CDAG_EnvReview@txag.state.tx.us or P.O. Box 12047, Austin, Texas 78711. Potential objections should contact the State to verify the actual last day of the objection period.

David Abernathy, Mayor

AVISO DE HALLAZGO SIN IMPACTO SIGNIFICATIVO Y AVISO DE INTENCIÓN DE SOLICITAR LIBERACIÓN DE FONDOS

Estos avisos deberán satisfacer dos requisitos de procedimiento separados pero relacionados para las actividades que llevará a cabo la ciudad de Pittsburg.

SOLICITUD DE LIBERACIÓN DE FONDOS

El 19 de septiembre de 2022 o alrededor de esa fecha, la ciudad de Pittsburg presentará una solicitud al Departamento de Agricultura de Texas para la liberación de los fondos del Programa de Subsidios en Bloque para el Desarrollo Comunitario en virtud de la Sección 104 del Título I de la Ley de Vivienda y Desarrollo Comunitario de 1974, según enmendada, para emprender un proyecto conocido como reconstrucción de aceras y mejoras de accesibilidad en Rusk Street y Compress Street, bajo el Contrato # CDM21-0135 con el propósito de reemplazar aceras deterioradas y que no cumplen con ADA que resultan en un tráfico peatonal peligroso. El contratista reconstruirá e instalará aproximadamente 890 pies lineales de acera de concreto, 414 pies lineales de bordillo y cuneta, 17 rampas ADA, instalará 14 farolas que incluyen conductos, cableado y panel de servicio eléctrico, reconstruirá los accesos de concreto, las reparaciones de pavimento relacionadas y todos los accesorios asociados. El proyecto también incluirá todos los servicios de ingeniería y administración asociados, por un costo estimado de \$350,000.00 en fondos de HUD y \$52,500.00 en fondos que no son de HUD. El proyecto se llevará a cabo en Rusk Street desde la esquina de Fulton hasta el Ayuntamiento y en Compress desde la esquina de Church Street hasta el callejón.

HALLAZGO SIN IMPACTO SIGNIFICATIVO

La ciudad de Pittsburg ha determinado que el proyecto no tendrá un impacto significativo en el entorno humano. Por lo tanto, no se requiere una Declaración de Impacto Ambiental bajo la Ley Nacional de Política Ambiental de 1969 (NEPA).

Un Registro de revisión ambiental (ERR) que documenta las determinaciones ambientales para este proyecto está archivado en 200 Rusk Street, Pittsburg, Texas 75686 y se puede examinar o copiar de 8:30 a.m. a 4:30 p.m.

COMENTARIOS PÚBLICOS

Cualquier individuo, grupo o agencia puede enviar comentarios por escrito sobre la ERR al alcalde a dabernathy@pittsburgtx.com. Todos los comentarios recibidos antes del 16 de septiembre de 2022 serán considerados por la ciudad de Pittsburg antes de autorizar la presentación de una solicitud de liberación de fondos.

Los comentarios deben especificar a qué Aviso se dirigen.

CERTIFICACIÓN AMBIENTAL

La Ciudad de Pittsburg certifica al Estado de Texas que David Abernathy, en su calidad de Alcalde, acepta aceptar la jurisdicción de los Tribunales Federales si se inicia una acción para hacer cumplir las responsabilidades en relación con el proceso de revisión ambiental y que estas responsabilidades han sido satisfechas. La aprobación de la certificación por parte del Estado cumple con sus responsabilidades conforme a la NEPA y las leyes y autoridades relacionadas, y permite que la Ciudad de Pittsburg use los fondos del Programa.

OBJECIONES A LA LIBERACIÓN DE FONDOS

El Estado aceptará objeciones a la liberación de fondos y la certificación de la Ciudad de Pittsburg por un período de quince días a partir de la fecha de presentación anticipada o la recepción real de la solicitud (lo que ocurra más tarde) solo si se basan en una de las siguientes bases: (a) la certificación no fue ejecutada por el Oficial Certificador de la Ciudad de Pittsburg (b) la Ciudad de Pittsburg ha omitido un paso o no ha tomado una decisión o hallazgo requerido por las regulaciones de HUD en 24 CFR parte 58; (c) el beneficiario de la subvención u otros participantes en el proceso de desarrollo han comprometido fondos, incurrido en costos o realizado actividades no autorizadas por 24 CFR Parte 58 antes de la aprobación de una liberación de fondos por parte del Estado; o (d) otra agencia federal que actúa de conformidad con 40 CFR Parte 1504 ha presentado una conclusión por escrito de que el proyecto no es satisfactorio desde el punto de vista de la calidad ambiental. Las objeciones deben prepararse y presentarse de acuerdo con los procedimientos requeridos (24 CFR Parte 58, Sec. 58.76) y deben dirigirse al Departamento de Agricultura de Texas a CDBG_EnvReview@TexasAgriculture.gov o PO Box 12847, Austin, Texas 78711. Los posibles objetores deben comunicarse con el Estado para verificar el último día real del período de objeción.

David Abernathy, Alcalde

OBJECTIONS TO RELEASE OF FUNDS

The State will accept objections to its release of fund and the City of Pittsburg's certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of the City of Pittsburg (b) the City of Pittsburg has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR part 58; (c) the grant recipient or other participants in the development process have committed funds, incurred costs or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by the State; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58, Sec. 58.76) and shall be addressed to Texas Department of Agriculture at CDBG_EnvReview@TexasAgriculture.gov or PO Box 12847, Austin, Texas 78711. AVISO DE HALLAZGO SIN IMPACTO SIGNIFICATIVO Y AVISO DE INTENCIÓN DE SOLICITAR LIBERACIÓN DE FONDOS

Estos avisos deberán satisfacer dos requisitos de procedimiento separados pero relacionados para las actividades que llevará a cabo la ciudad de Pittsburg.

SOLICITUD DE LIBERACIÓN DE FONDOS

El 19 de septiembre de 2022 o alrededor de esa fecha, la ciudad de Pittsburg presentará una solicitud al Departamento de Agricultura de Texas para la liberación de los fondos del Programa de Subsidios en Bloque para el Desarrollo Comunitario en virtud de la Sección 104 del Título I de la Ley de Vivienda y Desarrollo Comunitario de 1974, según enmendada, para emprender un proyecto conocido como reconstrucción de aceras y mejoras de accesibilidad en Rusk Street y Compress Street, bajo el Contrato # CDM21-0135 con el propósito de reemplazar aceras deterioradas y que no cumplen con ADA que resultan en un tráfico peatonal peligroso. El contratista reconstruirá e instalará aproximadamente 890 pies lineales de acera de concreto, 414 pies lineales de bordillo y cuneta, 17 rampas ADA, instalará 14 farolas que incluyen conductos, cableado y panel de servicio eléctrico, reconstruirá los accesos de concreto, las reparaciones de pavimento relacionadas y todos los accesorios asociados. El proyecto también incluirá todos los servicios de ingeniería y administración asociados, por un costo estimado de \$350,000.00 en fondos de HUD y \$52,500.00 en fondos que no son de HUD. El proyecto se llevará a cabo en Rusk Street desde la esquina de Fulton hasta el Ayuntamiento y en Compress desde la esquina de Church Street hasta el callejón.

HALLAZGO SIN IMPACTO SIGNIFICATIVO

La ciudad de Pittsburg ha determinado que el proyecto no tendrá un impacto significativo en el entorno humano. Por lo tanto, no se requiere una Declaración de Impacto Ambiental bajo la Ley Nacional de Política Ambiental de 1969 (NEPA).

Un Registro de revisión ambiental (ERR) que documenta las determinaciones ambientales para este proyecto está archivado en 200 Rusk Street, Pittsburg, Texas 75686 y se puede examinar o copiar de 8:30 a.m. a 4:30 p.m.

COMENTARIOS PÚBLICOS

Cualquier individuo, grupo o agencia puede enviar comentarios por escrito sobre la ERR al alcalde a dabernathy@pittsburgtexas.com. Todos los comentarios recibidos antes del 16 de septiembre de 2022 serán considerados por la ciudad de Pittsburg antes de autorizar la presentación de una solicitud de liberación de fondos.

Los comentarios deben especificar a qué Aviso se dirigen.

CERTIFICACIÓN AMBIENTAL

La Ciudad de Pittsburg certifica al Estado de Texas que David Abernathy, en su calidad de Alcalde, acepta aceptar la jurisdicción de los Tribunales Federales si se inicia una acción para hacer cumplir las responsabilidades en relación con el proceso de revisión ambiental y que estas responsabilidades han sido satisfechas. La aprobación de la certificación por parte del Estado cumple con sus responsabilidades conforme a la NEPA y las leyes y autoridades relacionadas, y permite que la Ciudad de Pittsburg use los fondos del Programa.

OBJECIONES A LA LIBERACIÓN DE FONDOS

El Estado aceptará objeciones a la liberación de fondos y la certificación de la Ciudad de Pittsburg por un período de quince días a partir de la fecha de presentación anticipada o la recepción real de la solicitud (lo que ocurra más tarde) solo si se basan en una de las siguientes bases: (a) la certificación no fue ejecutada por el Oficial Certificador de la Ciudad de Pittsburg (b) la Ciudad de Pittsburg ha omitido un paso o no ha tomado una decisión o hallazgo requerido por las regulaciones de HUD en 24 CFR parte 58; (c) el beneficiario de la subvención u otros participantes en el proceso de desarrollo han comprometido fondos, incurrido en costos o realizado actividades no autorizadas por 24 CFR Parte 58 antes de la aprobación de una liberación de fondos por parte del Estado; o (d) otra agencia federal que actúa de conformidad con 40 CFR Parte 1504 ha presentado una conclusión por escrito de que el proyecto no es satisfactorio desde el punto de vista de la calidad ambiental. Las objeciones deben prepararse y presentarse de acuerdo con los procedimientos requeridos (24 CFR Parte 58, Sec. 58.76) y deben dirigirse al Departamento de Agricultura de Texas a CDBG_EnvReview@TexasAgriculture.gov o PO Box 12847, Austin, Texas 78711. Los posibles objetores deben comunicarse con el Estado para verificar el último día real del período de objeción.

David Abernathy, Alcalde

The project shall take place on Rusk Street from the corner of Fulton to City Hall and on Compress from the Corner of Church Street to the alley.

FINDING OF NO SIGNIFICANT IMPACT

The City of Pittsburg has determined that the project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required.

An Environmental Review Record (ERR) that documents the environmental determinations for this project is on file at 200 Rusk Street, Pittsburg, Texas 75686 and may be examined or copied 8:30 a.m. to 4:30 p.m.

PUBLIC COMMENTS

Any individual, group, or agency may submit written comments on the ERR to the Mayor at dabernathy@pittsburgtexas.com. All comments received by September 16, 2022 will be considered by the City of Pittsburg prior to authorizing submission of a request for release of funds.

Comments should specify which Notice they are addressing.

ENVIRONMENTAL CERTIFICATION

The City of Pittsburg certifies to the State of Texas that David Abernathy in his capacity as Mayor consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. The State's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities and allows the City of Pittsburg to use Program funds.

OBJECTIONS TO RELEASE OF FUNDS

The State will accept objections to its release of fund and the City of Pittsburg's certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of the City of Pittsburg (b) the City of Pittsburg has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR part 58; (c) the grant recipient or other participants in the development process have committed funds, incurred costs or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by the State; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58, Sec. 58.76) and shall be addressed to Texas Department of Agriculture at CDBG_EnvReview@TexasAgriculture.gov or PO Box 12847, Austin, Texas 78711. No. 3 out as another Open seed falls

Brian Mahoney
Associated Press

NEW YORK – The last two women's champions were already out of the US Open and now one of last year's semi-finalists is gone.

Top players are falling fast in Flushing Meadows. Third-seeded Maria Sakkari was ousted 3-6, 7-5, 7-5 by Wang Xiyu of China in the second round.

Sakkari reached two Grand Slam semifinals last year but has had a difficult time backing up her success, acknowledging this week that she struggled to handle a higher profile that came with her rise to No. 3 in the rankings. She said some days she didn't enjoy tennis and didn't want to get out of bed.

Gauff

"It's disappointing, it hurts, because I was feeling better, I was enjoying myself, feeling good on the court and it was just very disappointing that my level was that low today," Sakkari said.

No. 12 Coco Gauff and 20th-seeded Madison Keys avoided the trouble, setting up a third-round matchup between the Americans.

Gauff beat Elena Gabriela Ruse 6-2, 7-6 (4), while 2017 US Open runner-up

Keys outlasted Camili Giorgi 6-4, 5-7, 7-6 (6).

Gauff was two points from dropping the second set at 5-3 before the 18-year-old rallied, something she said demonstrates an aspect of her game that wasn't there early in the season but could make the French Open finalist a threat now.

"Today down love-30, 5-3, definitely could have threw it in the can and got ready for the third set. Same at 15-40. But I didn't," Gauff said. "I feel like that shows growth. I feel like in the past, those are games I would have lost. It's about learning, and I think I'm learning."

Sakkari's loss came after defending champion Emma Raducanu and two-time winner Naomi Osaka were elimi-

nated Tuesday night in the first round. That left Bianca Andreescu, who beat Williams in the 2019 final, as the most recent U.S. Open women's champion still in the field heading into a match Wednesday night.

Coming off her run to the Wimbledon final, No. 5 Ons Jabeur matched her best US Open result with a 7-5, 6-2 victory over Elizabeth Mandlik, the daughter of 1985 champion Hana Mandlikova. Jabeur lost in the third round in each of her last three trips to New York.

Three-time Grand Slam champion Andy Murray rebounded quickly after dropping the first set to power past American Emilio Nava 5-7, 6-3, 6-1, 6-0 and set up a meeting with No. 13 Matteo Berrettini.

'Epic blunder' led to FAMU eligibility fiasco

Lance Pugmire
USA TODAY

Florida A&M Interim President Larry Robinson huddled with his football team for one hour Tuesday over what one attorney describes as the "epic administrative blunder" that has more than 20 players still scurrying to regain their athletic eligibility.

Robinson emerged from the meeting promising that his HBCU institution would hire five new compliance employees and two new academic advisers in reaction to the ineligibility crisis that nearly prompted the athletes to not play Saturday in North Carolina.

North Carolina won 56-24.

The attorney for Florida A&M's returning Buck Buchanan Award winner Isaiah Land revealed Tuesday that the Rattlers were only moved to change their minds and board a six-hours-delayed team flight to North Carolina when they learned from Robinson and interim athletic director Michael Smith that three teammates had been cleared to play.

Public records previously obtained by USA TODAY Sports showed that Florida A&M would've owed North Carolina a \$450,000 fee for canceling its participation in the game.

That would've been a hefty toll for Robinson's self-described "low-re-

sources institution." By playing the Tar Heels, FAMU received \$450,000.

"We know there was a lot of money at stake for FAMU and that FAMU didn't want to lose that money," said Land's attorney, Tom Mars. "With the notice that those three players had been cleared, the players' leadership council (of seniors and graduate students) saved them from all that pressure."

Mars, who also represents ineligible right tackle Cam Covin, is a veteran attorney who's been involved in nearly 100 of the "progress toward degree" waivers required to maintain their eligibility.

Following a two-day wait for documents from FAMU, Mars said his review of Land's rejected waiver convinces him "there are significant grounds for appeal," for the university to pursue. "If they speed things up and let me help them, it won't take long to have the appeal ready. Every day matters," Mars said as Deion Sanders and Jackson State await FAMU in Sunday's Orange Blossom Classic at Miami's Hard Rock Stadium.

"Knowing what I know of Isaiah and Cameron's cases now, I can make an incredibly compelling argument on their behalf. Look, if a parent fails to file a tax return, the IRS doesn't punish the kids. This is the college sports equivalent of doing just that, and I've got the paper-

Florida A&M quarterback Jeremy Moussa looks to pass Saturday against North Carolina. CHRIS SEWARD/AP

work that proves just that."

Mars speculates Land's situation is similar to many other teammates. Pointing to slippages tied to a one-person athletic department compliance staff, Mars said Land was first wrongly pointed by an academic adviser to one summer school class that didn't count toward his major and degree progress. "And the adviser signed the form," Mars said.

The rash of ineligibility prompted 89 players to sign a five-page letter to Robinson last week detailing how they felt misadvised and underrepresented.

"I appreciated the letter I got, but I got more sense of the passion and the urgency around the issues when I spoke to

them in person," Robinson said following Tuesday's hour-long face-to-face session with the players.

Robinson dodged accepting the blame in a post-meeting news conference.

"For those people who feel as if they were misadvised, they are speaking with our academic affairs people to see what that was and what might be done – if indeed that did occur," Robinson said. "It is a bit different, the academic advising for athletes. If they didn't get that from the right person, that could've been the case. I'm not suggesting it was. All I'm trying to do now is look at the situation as it is now and (convey) that the team is working on our students' behalf."

In addition to immediately shifting two existing members of the university compliance program to athletics, Robinson said he will order all 18 academic advisers at FAMU to gain training in "some of the nuances associated with athletics – progression, GPA issues. It's different from a typical student going from one level to the next."

"The misconception that people may have that we're not supportive of FAMU athletics the way we should, that we don't care about these young men is very disturbing to me because I know how much we care and put into this program to make it whole."

White Sox manager La Russa set to see heart specialists

Bob Nightengale
USA TODAY

Chicago White Sox manager Tony La Russa will be out indefinitely while having tests on his heart, according to a person with direct knowledge of the situation.

The person spoke to USA TODAY on the condition of anonymity because the White Sox had yet to make an announcement.

La Russa will fly to Phoenix on Wednesday night and is scheduled to see doctors Thursday at the Mayo Clinic.

La Russa, 77, baseball's oldest manager, recently had tests by a cardiologist in Chicago who recommended Tuesday night that he miss the game against the Kansas City Royals. La Russa had further tests Wednesday and it was advised that he see heart specialists.

It's unknown whether La Russa, inducted into the Baseball Hall of Fame in 2014, will return this season. He will enter 2023, depending on his health, in the final year of his three-year contract.

Bench coach Miguel Cairo is expected to serve as the interim manager in La

Russa's absence.

La Russa has been under a lot of stress this season, drawing the wrath of fans who have called for his firing. The White Sox were heavily favored to win the American League Central but going into Wednesday were 63-66, six games out of first place behind the Cleveland Guardians.

Wilson wins second WNBA MVP award

Chris Bumaca
USA TODAY

The WNBA MVP race had been clear for some time.

A'ja Wilson vs. Breanna Stewart — both former MVPs looking for another piece of hardware.

On Wednesday, the WNBA announced the Las Vegas Aces' Wilson as the MVP, capping a remarkable season for her and the Aces. Las Vegas advanced to the 2022 WNBA Finals over Stewart's Seattle Storm less than 24 hours prior to the vote's reveal.

Here is a breakdown of the voting:

• Wilson, 478 total points, 31 votes for 1st place, 24 votes for 2nd.

• Stewart, 446 total points, 23 votes for 1st place, 28 votes for 2nd.

Under first-year coach Becky Hammon, Wilson led the Aces to the best record in the league at 26-10. The South Carolina product finished the regular season averaging 19.5 points per game (fifth overall) and ranked second in rebounds per game (9.4). Wilson shot a career-best 50.1% from the field.

Her efforts on the defensive end — a league-best 1.9 blocks per game on top of 1.4 steals — garnered her Defensive Player of the Year honors. Wilson is the first player to win MVP and Defensive Player of the Year in the same season.

Stewart led the league in scoring at 21.8 points per game.

Wilson, who won a gold medal at the Tokyo Olympics with the U.S. women's basketball team, had the most fan votes leading into the 2022 All-Star Game in Chicago and captained her team to a 134-112 victory.

award in the COVID-19 season that was played in Bradenton, Florida, which ended with the Storm sweeping the Aces in the Finals.

During the semifinals against the Storm, Wilson played all but four minutes in the four-game series. Seattle held her to eight points in its Game 1 victory, but over the next three games Wilson averaged 30.0 points, 12.3 rebounds, 2.3 blocks and 1.3 steals.

Sun rout Sky, force Game 5 in semifinals

Doug Feinberg
Associated Press

UNCASVILLE, Conn. — With their season on the line, Alyssa Thomas and the Connecticut Sun took it right to the Chicago Sky and forced a decisive Game 5 in their WNBA semifinals playoff series.

DeWanna Bonner and Courtney Williams each scored 19 points to help the Sun rout the Sky 104-80 on Tuesday. Thomas added 17 points for Connecticut, which will travel to the second-seeded Sky for the winner-take-all game on Thursday night (8 ET, ESPN2).

"Some games like tonight we get to feeling good, and the basket looks a little bigger. Tonight we just made shots," Williams said.

"Whatever team comes out and puts the ball in the basket is going to win."

It's the second consecutive playoff series for each team that has gone the distance. Chicago and Connecticut had to go on the road in the third game of their opening-round series and win to reach the semifinals because of the new playoff format that saw the higher seeded team host the first two games of that best-of-three set.

"It's going to come down to who plays better for two hours," Connecticut coach Curt Miller said. "We've won some tough road games. We have a team that grinds and has grit and that's the kind of toughness you need to pull off a road win in a big game."

Miller has been saying the entire series his team would have to make the game "messy" to beat the Sky. Getting into a high-scoring game wouldn't benefit the Sun.

"So much for messy. That wasn't messy," Miller said. "A huge win and sending it back to Chicago for Game 5."
