Subject: PLAN22-00011 - Continuance

Good afternoon Beau,

I hope this email finds you well.

As previously discussed, we need to continue your item to the October 9th Planning Commission hearing due to issues encountered during the CEQA circulation process, which requires a 30-day review period. I understand this may be inconvenient, and I'm here to assist with any questions or concerns. While this request is unfortunate, we are looking for your concurrence with this request to be presented to the Planning Commission at the September 11th Planning Commission meeting. Thank you for your understanding and patience and I look forward to hearing from you.

Best regards,

Mina Morgan
