RE: Project# JM24-098

Dear Robby:

During our bid proposal discussions, two points came into question: 1. Priority Panel, and 2: Delivery Point. For confirmation, our current bid of \$259,895.10 will include a priority panel with time fill option and delivery to the address noted above and also specified in Section II: I-5 Location of Delivery Point of your Bid Request document.

Sincerely,

Randy Smithwick
