¹ Members of these bodies and designated positions are not covered by this Code because they must file disclosure statements under Government Code Section 87200. They are listed here for informational purposes only.

² It has been determined that the board members and certain officers of the Affiliated Entities are other officials who manage public investments (as defined in 2 Cal. Code Regs. §18007.3(b)) and also must file disclosure statements under Government Code Section 87200. Individuals holding any of these positions may contact the FPPC for assistance or written advice regarding their filing obligations if they believe that their position has been categorized incorrectly. The FPPC makes the final determination whether a position is covered by Section 87200.

Consultants and New Positions

Individuals serving as consultants (as defined in 2 Cal. Code. Regs. §18700.3(a)) or in a new position created since this Code was last approved that makes or participates in making decisions must file under the broadest disclosure category set forth in this Code, subject to the following limitation:

The City Manager may determine that, due to the range of duties or contractual obligations of a particular consultant, it is more appropriate to assign a more limited disclosure requirement. A clear explanation of the duties and a statement of the extent of the disclosure requirements must be in a written document. The City Manager's determination is a public record and shall be retained for public inspection in the same manner and location as this Code.
