Copies of these prevailing rate of per diem wages are on file at the City of Victorville Finance Department/Purchasing Division and shall be made available for review to any interested party on request. Copies of these prevailing rate of

per diem wages are also available from the State of California via the internet at <http://www.dir.ca.gov/DLSR/PWD>. Consultant and its subconsultants/subcontractors shall pay not less than said specified prevailing rate of per diem wages to all workers employed by them in the performance of any work under this Agreement which constitutes "public works" or "public work", including without limitation, the **Design Services for New Police Department Station** as set forth in the attached Scope of Services, and any other work or services described in or encompassed by California Labor Code ("**Labor Code**") Sections 1720 through 1720.9, 1771, and 1772. Consultant shall be solely responsible for using the correct and current prevailing wage rates and performing accordingly. An error on the part of any awarding body does not relieve the Consultant from the responsibility for payment of the correct prevailing wage, or compliance with the maintenance and inspection of payroll records, posting of prevailing wage rates at the work/job site, employment of apprentices, and other requirements of Labor Code Section 1720 *et seq.*; Labor Code Section 1810 *et seq.*; California Code of Regulations, Title 8, Section 16000 *et seq.*; and all other applicable State labor laws.

b. Designation as Consultant Not Determinative. For purposes of this Agreement, Consultant its subconsultants or subcontractors shall be subject to and shall comply with all provisions of the Labor Code applicable to contractors and subcontractors when they are engaged in the performance of any work under this Agreement which constitutes "public works" or "public work" as defined in subsection a above, despite being designated as a Consultant or subconsultant herein.

c. Conflict. It is further expressly agreed by and between the Parties hereto that should there be any conflict between the provisions of this Section 5 and the terms of **Exhibit "A"** or **Exhibit "B"** of this Agreement, the provisions of this Section 5 shall control, and nothing herein shall be considered as an acceptance of the terms of Consultant's Scope of Services, Scope of Work, or Cost/Bid Proposal which conflict with the provisions of this Section 5.

d. Payroll Records. Consultant and its subconsultants/subcontractors must comply with the provisions of Labor Code sections 1776 and 1812 and all implementing regulations, including without limitation, those set forth in Title 8 of the California Code of Regulations, Section 16000 *et seq.* (hereinafter the "**Regulations**"), which are fully incorporated by this reference, including requirements for electronic submission of payroll records to the DIR.

(1) Consultant and Subconsultant/Subcontractor Obligations. Consultant and each subconsultant or subcontractor must keep accurate payroll records, showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed in connection with the Work. Each payroll record must contain or be verified by a written declaration that it is made under penalty of perjury, stating both of the following:

(a) The information contained in the payroll record is true and correct; and

(b) Consultant and or subconsultant/subcontractor has complied with the requirements of Labor Code Sections 1771, 1811, and 1815 for any covered work performed by its employees on the project.

(2) Certified Record. A certified copy of an employee's payroll record must be made available for inspection or furnished to the employee or his or her authorized representative on request, to the City, to the Division of Labor Standards Enforcement, to

the Division of Apprenticeship Standards of the DIR, and as further required by the Labor Code.

(3) Enforcement. Upon notice of noncompliance with Labor Code Section 1776, Consultant and/or subconsultant/subcontractor has ten days in which to comply with the requirements of this section. If Consultant and/or subconsultant/subcontractor fails to do so within the ten-day period, Consultant and/or subconsultant/subcontractor will forfeit a penalty of \$100.00 per day, or portion a day, for each worker for whom compliance is required, until strict compliance is achieved. Upon request by the Division of Apprenticeship Standards, or the Division of Labor Standards Enforcement, these penalties will be withheld from payments then due to Consultant and/or subconsultant/subcontractor.

(4) Payment of Invoices. Copies of the certified payrolls, proof of payroll submissions, and appropriate lien releases are required with each invoice to the City. Payment of the invoice may be delayed when payroll-related documents and/or lien releases are not included with the invoice.

e. Apprentices. Consultant is responsible for compliance with the requirements governing employment and payment of apprentices, as set forth in Labor Code section 1777.5, which is fully incorporated by reference.

Consultant shall require the same of all its subconsultants or subcontractors. Pursuant to Labor Code Section 1735, Consultant shall not discriminate in the employment of persons upon public works on any basis listed in subdivision (a) of Section 12940 of the Government Code, as those bases are defined in Sections 12926 and 12926.1 of the Government Code, except as otherwise provided in Section 12940 of the Government Code. Every consultant for public works who violates this section is subject to all the penalties imposed in Labor Code sections 1720 through 1861.

(1) Pursuant to Labor Code section 1775, the Consultant and any subcontractor/subconsultant under it shall forfeit as a penalty to the City not more than Two Hundred Dollars (\$200.00), for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rate as determined by the Director of the DIR for such work or craft in which such worker is employed for any public work done under this Agreement by it or by any subcontractor/subconsultant under it. The difference between such prevailing wage rate and the amount paid to each worker for each calendar day or portion thereof, for which each worker was paid less than the prevailing wage rate, shall be paid to each worker by the Consultant and/or subconsultant/subcontractor as provided for in Section 1775.

(2) Pursuant to Labor Code Section 1813, Consultant and its subconsultants or subcontractors shall, as a penalty to the City, forfeit twenty-five dollars (\$25) for each worker employed in the execution of this Agreement by the respective Consultant or subconsultant/subcontractor for each calendar day during which the worker is required or permitted to work more than 8 hours in any one calendar day and 40 hours in any one calendar week, except as specified in Labor Code Section 1815. The right also includes timely and reasonable access to Consultant's personnel for the purposes of interview and discussion related to such documents. The provisions of this Section shall govern over any conflicting provisions in the Agreement.
- j. Federal contract provisions required by Appendix II to 2 CFR Part 200 (2 CFR § 200.327), as applicable:
  - (i) Remedies for Breach - Appendix II to Part 200, Subd. (A). The Terms and Conditions in Section C of the RFP, as well as the provisions of Section 43 of the Agreement provide remedies and penalties for breach of the Agreement.

Except as otherwise provided under 41 CFR Part 60, if this Agreement meets the definition of a "federally assisted construction contract" in 41 CFR § 60-1.3, then Consultant shall comply with the following equal opportunity clause, in accordance with Executive Order 11246 of September 24, 1965 entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967 and implementation regulations at 41 CFR Chapter 60:

During the performance of this Agreement, Consultant agrees as follows:

A. The Consultant will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Consultant will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Consultant agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

B. The Consultant will, in all solicitations or advertisements for employees placed by or on behalf of the Consultant, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

C. The Consultant will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Consultant's legal duty to furnish information.

D. The Consultant will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Consultant's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

E. The Consultant will comply with all provisions of Executive Order 1124 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

F. The Consultant will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

G. In the event of the Consultant's noncompliance with the nondiscrimination clauses of this Agreement or with any of the said rules, regulations, or orders, this Agreement may be canceled, terminated, or suspended in whole or in part and the Consultant may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

H. The Consultant will include the portion of the sentence immediately preceding paragraph A and the provisions of paragraphs A through G in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Consultant will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a Consultant becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Consultant may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the Agreement.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will

otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

**ASSURANCES OF COMPLIANCE WITH CIVIL RIGHTS REQUIREMENTS****ASSURANCES OF COMPLIANCE WITH TITLE VI OF THE  
CIVIL RIGHTS ACT OF 1964**

As a condition of receipt of federal financial assistance from the Department of the Treasury, the recipient named below (hereinafter referred to as the “Recipient”) provides the assurances stated herein. The federal financial assistance may include federal grants, loans and contracts to provide assistance to the Recipient’s beneficiaries, the use or rent of Federal land or property at below market value, Federal training, a loan of Federal personnel, subsidies, and other arrangements with the intention of providing assistance. Federal financial assistance does not encompass contracts of guarantee or insurance, regulated programs, licenses, procurement contracts by the Federal government at market value, or programs that provide direct benefits.

The assurances apply to all federal financial assistance from or funds made available through the Department of the Treasury, including any assistance that the Recipient may request in the future.

The Civil Rights Restoration Act of 1987 provides that the provisions of the assurances apply to all of the operations of the Recipient’s program(s) and activity(ies), so long as any portion of the Recipient’s program(s) or activity(ies) is federally assisted in the manner prescribed above.

1. Recipient ensures its current and future compliance with Title VI of the Civil Rights Act of 1964, as amended, which prohibits exclusion from participation, denial of the benefits of, or subjection to discrimination under programs and activities receiving federal financial assistance, of any person in the United States on the ground of race, color, or national origin (42 U.S.C. § 2000d *et seq.*), as implemented by the Department of the Treasury Title VI regulations at 31 CFR Part 22 and other pertinent executive orders such as Executive Order 13166, directives, circulars, policies, memoranda, and/or guidance documents.
2. Recipient acknowledges that Executive Order 13166, “Improving Access to Services for Persons with Limited English Proficiency,” seeks to improve access to federally assisted programs and activities for individuals who, because of national origin, have Limited English proficiency (LEP). Recipient understands that denying a person access to its programs, services, and activities because of LEP is a form of national origin discrimination prohibited under Title VI of the Civil Rights Act of 1964 and the Department of the Treasury’s implementing regulations. Accordingly, Recipient shall initiate reasonable steps, or comply with the Department of the Treasury’s directives, to ensure that LEP persons have meaningful access to its programs, services, and activities. Recipient understands and agrees that meaningful access may entail providing language assistance services, including oral interpretation and written translation where necessary, to ensure effective communication in the Recipient’s programs, services, and activities.
3. Recipient agrees to consider the need for language services for LEP persons when Recipient develops applicable budgets and conducts programs, services, and activities. As a resource, the Department of the Treasury has published its LEP guidance at 70 FR 6067. For more information on taking reasonable steps to provide meaningful access for LEP persons, please visit <http://www.lep.gov>.

OMB Approved No. 1505-0271

4. Recipient acknowledges and agrees that compliance with the assurances constitutes a condition of continued receipt of federal financial assistance and is binding upon Recipient and Recipient's successors, transferees, and assignees for the period in which such assistance is provided.
5. Recipient acknowledges and agrees that it must require any sub-grantees, contractors, subcontractors, successors, transferees, and assignees to comply with assurances 1-4 above, and agrees to incorporate the following language in every contract or agreement subject to Title VI and its regulations between the Recipient and the Recipient's sub-grantees, contractors, subcontractors, successors, transferees, and assignees:

*The sub-grantee, contractor, subcontractor, successor, transferee, and assignee shall comply with Title VI of the Civil Rights Act of 1964, which prohibits recipients of federal financial assistance from excluding from a program or activity, denying benefits of, or otherwise discriminating against a person on the basis of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, which are herein incorporated by reference and made a part of this contract (or agreement).
